

certificate no. 08017877048

The stone in accordance with the above mentioned number has been identified as a natural gem diamond and has the following description :

shape	cushion
weight	2.04 ct
clarity grade	vs1
fluorescence	slight
colour grade	white (H)
measurements	8.02 x 6.89 x 4.80 mm
proportions	
girdle	thick 5% faceted
culet	pointed
table width	61%
cr height	15.5%
pav. depth	49.0%
finish grade	very good

antwerpen, 22/07/2008

gemmologists

The characteristics of the above mentioned diamond have been established by scientific measurements and observations, carried out in the laboratory of the Diamond High Council.

ISO / IEC 17025

The HRD Certificates Departement is BELAC accredited for the quality examination of polished diamonds under ref. N° 039-TEST.

This certificate is established in conformity with the "International Rules for Grading Polished Diamonds", approved by the World Federation of Diamond Bourses and the International Diamond Manufacturers Association at the May 1978 Congress (rev. ed. 1995), and may not be reproduced by any means whatsoever unless complete.

identification marks

Red symbols refer to internal and green symbols to external characteristics.

The symbols do not usually reflect the actual size of the characteristics.

The characteristics have been indicated in order to clarify the description and/or for further identification.
